

Dear ?????,

As a significant part of the history of Notre Dame School, the Notre Dame Parish in conjunction with the Notre Dame School Foundation requests that you be a part of its bright future.

Notre Dame's reputation for academic excellence and achievement is well deserved. Repeatedly, the school has been ranked in the highest percentages of performance in ISTEP scores for the state. The stakeholders of this fine school would not only like to sustain that level of excellence but attain even higher levels of achievement.

As you well know, academics are only one facet of this great institution. Notre Dame has an amazing spirit of community. Parents, teachers, and members of the Notre Dame family may have offered the time to coach, teach, or nurture you at some point in your development. All while providing a strong spiritual foundation. It is these interactions at Notre Dame that contributed to the person you have become today.

We would like to continue to offer the same positive experience for the current generation of children at Notre Dame. Achieving this goal will require your immediate assistance.

Please consider sponsoring (a detailed list of options is attached for your consideration):

- - Specific textbook or set of textbooks for a classroom
- - New classroom equipment
- - Current technology
- - Updated world maps

We have enclosed a stamped envelope and would appreciate any donation or gift. A receipt of contribution will be sent to you once we receive your one time or annual gift/donation.

We need your help. We are offering you a way to reach back and thank those who have helped you become the person you are today. Please assist Notre Dame to prepare this generation of children for a greater tomorrow.

Sincerely,
