Preschool's Road to Success

We hope that you have enjoyed reading about all of our adventures. Our year is coming to a close and we have all grown so much, inside and out. Everything you need to learn you learn in pre-school. Our life skills are amazing, being friends, being a good partner, waiting our turn, how to help ourselves and each other and most importantly how to ask God for help.

This last week we released our butterflies; we worked hard at cleaning up Mary and we are getting ready for the blue-

birds to graduate. Our final page of our monthly self portraits will be added and our progress can be seen! Our bluebird friends are so happy to be going to Mrs. Barr and the rest of us need a little more time with Mrs. Bobillo and besides, all of us cannot leave her at once! Have a happy, safe and fun summer! See you at the beach, pool or the park!

NOTRE DAME IS BRAGGING ABOUT ME!!!!!!

Congratulations to our Notre Dame Alumni who are graduating from high school. We wish you well and pray that the next stage of your life is happy, healthy, successful, and that you always remember that the love of our God is with you every day. *WE ARE PROUD OF YOU!*

If you have children in grades 3 through 8, please find correspondence from the Indiana Department of Education regarding your child's ISTEP+ results. You can get these results from the Indiana Parent Network @ www.inParentNetwork.com. You will find an Invitation Code that is specific to your child. This code is case sensitive. Directions are included in this correspondence. Results should be available shortly. Please do not lose this invitation code as we, the school, do not have this information.

KIDS' SAFETY FESTIVAL

1:00 PM until 4:00 PM

This event is sponsored by the LaPorte Savings Bank in cooperation with The Michigan City Police and Fire Departments. If you attend, you will receive a FREE DNA Identification Kit.

.....

If your child is planning on participating in any athletic events sponsored by Notre Dame School, he/she must have a physical form on file. We have uploaded the form on our web page at www.notredameparish.net. Click on the school tab, and you will find the link that you can download and print.

Children who participate in any of the following must have a physical form:

- * Cross Country
- * Soccer
- * Volleyball
- * Basketball—including Pee Wee Basketball
- * Track
- * Golf

.....

As you may know, the Notre Dame Festival is the week-end of July 16th. You may also remember that last year each class prepared a basket for the Silent Auction. I do know that it is late in the game for us to be asking for help; however, the festival committee has asked that we help them find items for the Silent Auction. Last year our classroom baskets raised a significant amount of money for the parish.

What do we need?

- * Athletic Event Tickets
- * \$5.00 to \$10.00 donation that can be used to make up "themed" baskets
- * Volunteers who would be willing to create these baskets

Hopefully you will be able to help us.
