WELCOME, MR. BENJAMIN POTTS,  
OUR NEW PRINCIPAL!

I am happy to announce that the Principal Search & Interview Committee, having interviewed five candidates, reached unanimous consensus to hire **Mr. Benjamin Potts** as Notre Dame School's new principal.

Mr. Potts was raised and educated in Valparaiso, Indiana. He attended Saint Paul Elementary School and Valparaiso High School. He received a B.A. in History from the University of Chicago, and an Ed.M. in Education Policy and Management from the Harvard University Graduate School of Education.

His experience includes an internship in Madrid, Spain, where he worked with inner-city children to teach and reinforce English language skills, and an internship in the Catholic Schools Office of the Archdiocese of Boston, where he investigated the relationships between the Archdiocesan Office and the local parochial schools.

Most recently, he has been Program Director of the Summit Educational Association, Inc., in Milwaukee, Wisconsin, where he develops, implements, and directs educational programming for impoverished inner-city youth, mostly Hispanic.

Mr. Potts is energetic and eager to assume his position at Notre Dame. He is expected to be on-site by August 16.

We will be planning opportunities for faculty, staff, parishioners, and parents to meet Mr. Potts in the days ahead.

Please join me in making him feel at home at Notre Dame.

Sincerely in Notre Dame—our Lady,

(Rev.) Keith McClellan  
Pastor
